Installer Onboarding Audit Summary

OVERALL (PASS-1)	PASS	FAIL	NOT_BUILT
FAIL	**5**	**3**	**0**

Check	Title	Status	Details
INSTALLER-01	Public entry exposes installer onboarding start	PASS	
INSTALLER-02	Account creation/sign-in yields onboarding workspace access	PASS	
INSTALLER-03	Terms gating is enforced before submission	PASS	
INSTALLER-04	Licence/accreditation verification response is deterministic	PASS	
INSTALLER-05	Required-field gating blocks incomplete onboarding	PASS	
INSTALLER-06	Evidence upload rules are enforced (PDF-only, required artefacts)	FAIL	Uploaded file download not accessible (404)
INSTALLER-07	Final submission transitions state and locks editing	FAIL	Submission did not complete successfully (likely backend persistence dependency)
INSTALLER-08	Admin review produces Reviewed outcome and (if approved) activation gates access	FAIL	Admin review queue loaded but no review link became visible (list empty or fetch failed)

One-page summary intended for audit evidence packs. No PII is rendered.
